## The Prompt will be here!

 Inspire Me!

Welcome! Before we start the HIT, we will  
take you through a short step-by-step  
tutorial to familiarize you with the interface.

## The Prompt will be here!

 Inspire Me!

Your task is to generate as many creative ideas as you can for a brainstorming problem for 10 minutes. The amount of time remaining for the task will be displayed here. Once the time is up, you will be taken to a final screen where you can submit the HIT.

**Directions** [\(show/hide\)](#)

1. Begin entering ideas for the main prompt here.
2. If you run out of ideas or want some fresh inspiration, hit the "Inspire Me!" button for a new stream of thought. You will receive an "inspiration card" where you can generate ideas for a more focused version of the main prompt.
3. Continue to ideate until you reach 10 total ideas. If you reach 10 ideas before the time is up, you can either click on the "Exit early" button to complete the HIT or continue generating ideas until the time is up.
